The Notice also provides information on how stockholders may request paper copies of our proxy materials. We believe electronic delivery of our proxy materials and our 2016 Annual Report will help us reduce the environmental impact and costs of printing and distributing paper copies and improve the speed and efficiency by which our stockholders can access these materials.

Frequently Asked Questions about Voting and the Annual Meeting

Who is entitled to vote at the meeting?

Only stockholders of record at the close of business on January 9, 2017, the record date for the Annual Meeting (the “Record Date”), are entitled to receive notice of and to participate in the Annual Meeting. If you were a stockholder of record on that date, you will be entitled to vote all of the shares that you held on that date at the Annual Meeting or at any postponements or adjournments of the Annual Meeting.

A list of stockholders of record entitled to vote at the Annual Meeting will be available at the Annual Meeting and will also be available for review ten business days prior to the Annual Meeting between the hours of 9:00 a.m. and 4:00 p.m., Eastern Standard Time, at the Office of the Secretary located at Civitas’ corporate headquarters at 313 Congress Street, Boston, Massachusetts 02210. A stockholder may examine the list for any germane purpose related to the Annual Meeting.

What are the voting rights of the holders of Civitas Solutions, Inc. common stock?

Holders of Civitas Solutions, Inc. common stock are entitled to one vote for each share held of record as of the close of business on the Record Date (January 9, 2017) on all matters submitted to a vote of the stockholders, including the election of directors. Stockholders do not have cumulative voting rights.

How do I vote?

Stockholders of Record

If, on the Record Date, your shares were registered directly in your name with the transfer agent for our common stock, Broadridge Corporate Solutions, then you are a stockholder of record. As a stockholder of record, you may vote at the Annual Meeting or vote by proxy. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy over the Internet, by telephone or by mail as instructed below to ensure your vote is counted.

Vote by Internet. Go to www.proxyvote.com. Use the Internet to vote up until 11:59 P.M. Eastern Standard Time on March 2, 2017, the day before the Annual Meeting. Please have your Notice in hand when you access the website and then follow the instructions.

Vote by Phone 1.800.690.6903. Vote by telephone by calling 1.800.690.6903 up until 11:59 P.M. Eastern Standard Time on March 2, 2017, the day before the Annual Meeting. Please have your Proxy Card in hand when you call and then follow the instructions.

Vote by Mail. If you have requested and received a Proxy Card by mail, you may mark, sign and date your Proxy Card and return it in the postage-paid envelope we provided with it or return it to Vote Processing, c/o Broadridge, 51 Mercedes Way, Edgewood, NY 11717.

Beneficial Owners

If, on the Record Date, your shares were held in an account at a broker, bank or other nominee, then you are the beneficial owner of shares held in “street name” and the Notice or these proxy materials are being forwarded to

you by that organization. The organization holding your account is considered the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your bank, broker or other nominee on how to vote the shares in your account. In order to vote your shares, please refer to the materials forwarded to you by your broker, bank or other nominee, as applicable for instructions on how to vote the shares you hold as a beneficial stockholder.

What are “broker non-votes” and why is it so important that I submit my voting instructions for shares I hold as a beneficial stockholder?

If a bank, broker or other nominee holds your shares in its name and you do not provide voting instructions to it, New York Stock Exchange (“NYSE”) rules allow that firm to vote your shares only on routine matters. Proposal No. 4, the ratification of Deloitte & Touche LLP as the Company’s independent registered public accounting firm for fiscal 2017, is the only routine matter for consideration at the Annual Meeting. For all matters other than Proposal No. 4, you must submit voting instructions to the bank, broker or other nominee that holds your shares if you want your vote to count on such matters. When a bank, broker or other nominee votes a client’s shares on some but not all of the proposals, the missing votes are referred to as “broker non-votes.”

What constitutes a quorum and how will votes be counted?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the outstanding shares of common stock entitled to vote will constitute a quorum for purposes of the Annual Meeting. A quorum is required in order for the Company to conduct its business at the Annual Meeting. As of the Record Date, 37,266,213 shares of common stock were outstanding.

Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of shares considered to be present at the Annual Meeting for purposes of establishing a quorum.

What vote is required to approve each proposal?

Proposal	Vote Required	Board Recommendation
Election of directors (Proposal No. 1)	Plurality of the votes cast FOR each director nominee	FOR all nominees
Advisory vote to approve named executive officer compensation (say-on-pay) (Proposal No. 2)	The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting	FOR the compensation of our named executive officers
Re-approval of the performance measures for certain performance-based awards under the Civitas Solutions, Inc. 2014 Omnibus Incentive Plan (Proposal No. 3)	The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting	FOR the re-approval of performance measures for certain performance-based awards
Ratification of Deloitte & Touche LLP as the Company’s independent registered public accounting firm for fiscal 2017 (Proposal No. 4)	The affirmative vote of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting	FOR the ratification of Deloitte & Touche LLP as the Company’s independent registered public accounting firm for fiscal 2017

We do not expect any other business to properly come before the Annual Meeting; however, if any other business should properly come before the Annual Meeting, the proxy holders will vote as recommended by the Board or, if no recommendation is given, in their own discretion.

May I change or revoke my vote?

Stockholders of Record. Registered stockholders may change a properly executed proxy at any time before its exercise by:

- delivering written notice of revocation to the Secretary at our corporate headquarters at Civitas Solutions, Inc., 313 Congress Street, Boston, Massachusetts 02210;

Election of Directors (Proposal No. 1)

The Board currently consists of nine members and is divided into three classes of directors, with three Class I directors, three Class II directors and three Class III directors. The current term of our Class III directors expires at the Annual Meeting, while the terms for Class I and Class II directors will expire at our 2018 and 2019 annual meetings of stockholders, respectively. Upon recommendation by the Nominating and Corporate Governance Committee of the Board, the Board has nominated three Class III directors for re-election as Class III directors. If elected, each nominee will serve for a three-year term expiring at the 2020 annual meeting of stockholders. Each director will hold office until his or her respective successor has been duly elected and qualified or until the director's earlier death, resignation or removal.

Each nominee currently serves as a director of the Company and has consented to serve if elected. Mr. Elrod joined our Board in 2006, Ms. Lenehan joined our Board in 2008 and Ms. Tocio joined our Board in 2015. If any nominee becomes unavailable to serve as a director, the Board may either designate a substitute nominee or reduce the number of directors. If the Board designates a substitute nominee, the persons named as proxies will vote for the substitute nominee designated by the Board.

Set forth below is information with respect to our Class III director nominees and our continuing Class I and Class II directors, including their recent employment or principal occupation, a summary of select qualifications, skills and experience that led to the conclusion that they are qualified to serve as directors, the names of other public companies for which they currently serve as a director or have served as a director within the past five years, their period of service on the Board and their ages as of the Record Date. The Nominating and Corporate Governance Committee believes that as a group, the Class I and Class II directors, together with the nominees to serve as Class III directors, possess the right diversity of backgrounds, skills, experiences and perspectives to constitute an effective Board.

Corporate Governance

Our Board has adopted policies and procedures to ensure effective governance of Civitas. Our corporate governance materials, including our Corporate Governance Guidelines, the charters of the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee and the Quality and Risk Management Committee, our Code of Conduct for Employees and our Code of Ethics for Senior Financial Officers may be viewed in the investor relations section of our website at www.civitas-solutions.com/investor-relations. We will also provide any of the foregoing information in print without charge upon written request delivered to the Secretary, Civitas Solutions, Inc., 313 Congress Street, Boston, Massachusetts 02210.

The Nominating and Corporate Governance Committee reviews our Corporate Governance Guidelines from time to time as necessary, and may propose modifications to the Corporate Governance Guidelines and other key governance practices from time to time for adoption by the Board.

Controlled Company

We are a “controlled company” under the New York Stock Exchange corporate governance standards because Vestar holds a majority of the voting power of our outstanding common stock. As a controlled company, we are exempt from the rules that would otherwise require that:

- a majority of our Board of Directors consist of “independent directors,” as defined under the rules of the New York Stock Exchange;
- we have a nominating and corporate governance committee that is composed entirely of independent directors; and
- we have a compensation committee that is composed entirely of independent directors.

A majority of directors of our Board of Directors is independent. However, our Nominating and Corporate Governance Committee and Compensation Committee are not composed entirely of independent directors.

Based upon the information submitted by each director, the Board of Directors has affirmatively determined that Messrs. Gray, Roth and Sansone and Ms. Lenehan and Tocio is each an “independent director,” as such term is defined in the New York Stock Exchange rules.

Board Composition

An affiliate of Vestar is party to a director nominating agreement that provides Vestar the right to nominate: (i) eight of nine directors so long as affiliates of Vestar collectively own at least 40% of the total voting power of Civitas; (ii) seven of nine directors so long as affiliates of Vestar collectively own at least 35% of the total voting power of Civitas; (iii) six of nine directors so long as affiliates of Vestar collectively own at least 30% of the total voting power of Civitas; (iv) five of nine directors so long as affiliates of Vestar collectively own at least 25% of the total voting power of Civitas; (v) four of nine directors so long as affiliates of Vestar collectively own at least 20% of the total voting power of Civitas; (vi) three of nine directors so long as affiliates of Vestar collectively own at least 15% of the total voting power of Civitas; (vii) two of nine directors so long as affiliates of Vestar collectively own at least 10% of the total voting power of Civitas; (viii) one of nine directors so long as affiliates

of Vestar collectively own at least 5% of the total voting power of Civitas. See “Certain Relationships and Related Party Transactions-Director Nominating Agreement.” Since the IPO, Messrs. Durbin, Elrod, Gray, Mundt, Nardella, Roth and Sansone and Mses. Lenehan and Tocio were designated as nominees by Vestar.

Our Board of Directors is divided into three classes as follows:

- Class I directors, Messrs. Nardella, Durbin and Gray, whose term expires at the 2018 annual meeting of the stockholders;
- Class II directors, Messrs. Mundt, Roth and Sansone, whose term expires at the 2019 annual meeting of the stockholders; and
- Class III directors, Mr. Elrod and Mses. Lenehan and Tocio, whose term expires at the 2017 annual meeting of the stockholders.

Directors in a particular class will be elected for three-year terms at the annual meeting of stockholders in the year in which their terms expire. As a result, only one class of directors will be elected at each annual meeting of our stockholders, with the other classes continuing for the remainder of their respective three-year terms. Each director’s term continues until the election and qualification of his or her successor, or his or her earlier death, resignation or removal.

Our certificate of incorporation provides that, subject to any rights applicable to any then-outstanding preferred stock, the Board shall consist of such number of directors as is determined from time to time by resolution adopted by a majority of the total number of authorized directors, whether or not there are any vacancies in previously authorized directorships. The Board currently consists of nine directors. Subject to any rights applicable to any then-outstanding preferred stock, any vacancies resulting from an increase in the size of the Board or otherwise must be filled by the directors then in office unless otherwise required by law or by a resolution passed by the Board.

Board Leadership Structure

Our Corporate Governance Guidelines provide that the Board retains the right to exercise its discretion in combining or separating the office of the Chair of the Board (the “Chair”) and the Chief Executive Officer. The Board believes it is in the best interests of the Company to make that determination based on the position and direction of the Company and the membership of the Board. The Board has appointed Bruce F. Nardella as the Chair of the Board. The Board determined that having the Company’s Chief Executive Officer serve as Chair is in the best interest of the Company’s stockholders at this time. This structure makes the best use of the Chief Executive Officer’s extensive knowledge of the Company and its industry, as well as fostering greater communication between the Company’s management and the Board.

In accordance with the NYSE rules, non-management directors are required to meet at regularly scheduled executive sessions without management present. It is the policy of the Board that our non-management directors meet regularly in executive session in connection with regularly scheduled Board meetings and at such other times as they deem necessary. The presiding director presides at these sessions of non-management directors.

Because Civitas has combined the office of Chairman and Chief Executive Officer, the Board has decided that an independent director shall serve a one-year term as the presiding director. Annually, the Board of Directors elects an independent director to serve as the presiding director. It is anticipated that the position of presiding director will periodically rotate among the independent directors. In December 2016, Pamela F. Lenehan was appointed as the presiding director. This will be Ms. Lenehan's second term as presiding director.

The independent directors meet in an executive session at least one time per year.

The Board conducts a comprehensive annual self-evaluation to determine whether it and its committees are functioning effectively. Our Corporate Governance Guidelines provide the flexibility for the Board to modify our leadership structure in the future as appropriate. We believe that Civitas is well-served by this flexible leadership structure.

Board Committees

The Board is responsible for overseeing the affairs of the Company. The Board held seven (7) meetings during fiscal 2016. Each Director attended (i) at least 75% of all of the Board meetings held during fiscal 2016 while such Directors were on the Board and (ii) at least 75% of the total number of meetings of the Board committees held during fiscal 2016 while such Directors were members of such committees. Directors are expected to attend our annual meeting of stockholders. All of our Directors other than Mr. Elrod attended the 2016 annual meeting of stockholders.

Our Board has four standing committees: an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee and a Quality and Risk Management Committee. Each of the committees reports to the Board as it deems appropriate, and as the Board may request. The composition, duties and responsibilities of these committees are set forth below. In the future, our Board may establish other committees, as it deems appropriate, to assist it with its responsibilities.

Apart from these relationships, no member of the Compensation Committee has any relationship that would be required to be reported under Item 404 of Regulation S-K. No member of the Compensation Committee serves or served during the fiscal year as a member of the board of directors or compensation committee of a company that has one or more executive officers serving as a member of our Board of Directors or Compensation Committee.

Identifying and Evaluating Director Candidates

The Nominating and Corporate Governance Committee is responsible for, among other matters, identifying and recommending candidates for the Board and reviewing and evaluating any candidates recommended by stockholders. The Nominating and Corporate Governance Committee is responsible for developing and recommending qualification standards and other criteria for selecting nominees for directors. These criteria include independence, diversity, age, skills, and experience in the context of the needs of the Board. The Nominating and Corporate Governance Committee considers a combination of factors for each nominee, including: (i) the independence, judgment, strength of character, reputation in the business community, ethics and integrity of the individual; (ii) the business or other relevant experience, skills, and knowledge that the individual may have that will enable him/her to provide effective oversight of Civitas' business; (iii) the fit of the individual's skill set and personality with those of the other Board members so as to build a Board that works together effectively and constructively; (iv) whether the individual contributes to the racial, ethnic and gender diversity of the Board; and (v) the individual's ability to devote sufficient time to carry out his or her responsibilities as a director in light of his/her occupation and the number of boards of directors of other public companies on which he or she serves.

The Board believes experience, qualifications or skills in the following areas are most important: (i) human services and healthcare; (ii) public policy; (iii) business development and strategic planning; (iv) accounting, finance and capital structure; (v) human resources and organizational design; (vi) technology development and management experience; (vii) leadership of complex organizations; (viii) leadership development and succession planning; (ix) corporate governance and board practices of other public companies; and (x) risk management and compliance.

Our Bylaws contain a procedure allowing for the nomination by stockholders of proposed directors. See "Additional Information—Stockholder Proposals for Inclusion in the 2017 Annual Meeting Proxy Statement" and "—Other Stockholder Proposals" for information as to how a stockholder can nominate a director candidate. The Nominating and Corporate Governance Committee considers all director candidates, including candidates recommended by stockholders or proposed by stockholders in accordance with our Bylaws, in the same manner as other candidates identified to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee may engage third-party search firms to identify potential director nominees.

Risk Oversight

Our Board has delegated to the Audit Committee oversight of our risk management process. The Audit Committee focuses on our general risk management strategy and the most significant risks facing us, and directs management to implement appropriate risk mitigation strategies. The Quality and Risk Management Committee focuses on our service delivery risk management process, and directs management to implement appropriate risk mitigation strategies with respect to service delivery. Our other Board committees also consider and address risk as they perform their respective committee responsibilities. All committees report to the full Board as appropriate, including when a matter rises to the level of a material or enterprise level risk. Our management is responsible for day-to-day risk management. This oversight includes identifying, evaluating, and addressing potential risks that may exist at the enterprise, strategic, financial, operational, compliance and reporting levels.

Code of Conduct and Code of Ethics

We have adopted the MENTOR Network Code of Conduct that applies to our directors, officers and employees. We have also adopted a Code of Ethics for Senior Financial Officers that applies to our chief executive officer, chief financial officer, principal accounting officer and all persons performing similar functions. The MENTOR Network Code of Conduct and the Code of Ethics for Senior Financial Officers are publicly available on our website at www.civitas-solutions.com. If we make any substantive amendments to the MENTOR Network Code of Conduct, or grant any waiver from a provision of the code of ethics for senior financial officers to our chief executive officer, chief financial officer or principal accounting officer, we will disclose the nature of such amendment or waiver on our website or in a current report on Form 8-K.

Executive Compensation

Compensation Discussion and Analysis

Introduction. This Compensation Discussion and Analysis describes the compensation arrangements we have with our Named Executive Officers (“NEOs”) as required under the rules of the SEC. The SEC rules require disclosure for our principal executive officer and principal financial officer, regardless of their compensation levels, and our three most highly compensated executive officers in our last completed fiscal year, other than our principal executive officer and principal financial officer.

For the fiscal year ended September 30, 2016, our NEOs were:

Name	Position
Bruce F. Nardella	President and Chief Executive Officer, Director
Denis M. Holler	Chief Financial Officer
Brett I. Cohen	Chief Operating Officer
David M. Petersen	Redwood Operating Group President
Kathleen P. Federico	Chief Human Resources Officer (Retired)

Compensation Policies and Practices. The objectives of our executive compensation program are to:

- attract and retain top executive talent;
- drive accountability for performance, including the quality of our services, by linking annual cash incentive awards to achievement of measurable performance objectives; and
- align executive officers with our stockholders, create an ownership culture, and drive long-term business success by providing opportunity for significant equity-based rewards.

Our executive compensation program is designed to reward our executive officers to operate the business in a manner that best serves our clients, payors and other public partners, as well as our stockholders and employees, thereby enhancing equity value. We do this by:

- awarding a significant portion of our executives’ overall compensation based on our financial performance, specifically, revenue and adjusted earnings before interest, taxes, depreciation and amortization, or adjusted EBITDA, and including a modifier based on the quality scorecard and number of days sales outstanding;
- mitigating undue risk in compensation programs; and
- including double-trigger change of control acceleration provisions for stock options and time-based restricted stock units.

Our executive compensation program provides foundational elements such as base salary and benefits, and the opportunity for significant performance-based annual cash incentives and longer-term equity-based incentives.

The Compensation Committee considered the results of the 2016 advisory, non-binding “say-on-pay” vote in connection with the discharge of its responsibilities. Because approximately 97% of the shares of stock present and entitled to vote on the “say on pay” proposal approved the compensation of our named executive officers described in our proxy statement at our 2016 annual meeting, the Compensation Committee did not implement significant changes to our executive compensation program as a result of the stockholder advisory vote.

Elements of Compensation. Each element of our executive compensation program is designed to meet the objectives of our executive compensation program. The elements of the program are:

- base salary;
- annual cash incentives;
- long-term incentive compensation in the form of equity;
- deferred compensation;
- severance benefits and equity vesting upon a change in control; and
- other benefits.

	Base Salary	Annual Incentive	Long Term Incentive		
			Non-qualified stock options	Time Based Restricted Units	Performance Based Restricted Units
Primary Purpose	Attraction and Retention	Attraction and Retention	Attraction and Retention		
		Reward Short-Term Performance	Reward Long-Term Performance		
			Align Interests with Stockholders		
Recipients	All NEOs				
Payment/Grant Date	Ongoing	In Dec. for Prior Year	Typically Awarded in Q1		
Cash/Equity	Cash		Equity		
Performance Period	Ongoing	1 Year	Until Exercised	3 Years	3 Years
Competitive level	Target a competitive range with overall goal to achieve market competitive levels for similar positions				
Other considerations	Peer group analysis, individual performance, job responsibilities, experience, program characteristics, and succession				

Base salaries for our executive officers provide a base source of cash income in line with the market for comparable positions. Our annual incentive compensation payouts reward executive officers for achievement of business performance, primarily adjusted EBITDA and revenue. In addition, we consider quality of services

managed and work performed by the executive officers because we believe that service, quality and growth are inextricably linked with service outcomes and consumer and payor satisfaction. Our equity component of compensation is designed to reward equity value creation over a longer period of time.

Executive Compensation Decisions. For executive officers, other than the Chief Executive Officer, the Chief Executive Officer considers performance and makes recommendations to the Compensation Committee on base salary, annual incentive and long-term equity compensation. On at least an annual basis, the Compensation Committee reviews, discusses, modifies and approves, as appropriate, these compensation recommendations. For the Chief Executive Officer, the Compensation Committee reviews and considers the performance of the Chief Executive Officer and approves his base salary, annual incentive and equity grants. In fiscal 2016, the Compensation Committee engaged Frederick W. Cook & Co. (“FWC”), a compensation consulting firm, to review compensation paid to our executive officers with the goal of comparing total compensation paid to our executive officers to the total compensation paid to our peer group’s executive officers.

Executive Compensation Study. In fiscal 2016, FWC conducted an analysis of the competitiveness and appropriateness of our cash and equity compensation programs. FWC reviewed market data from multiple commercial survey sources and reviewed public company peer group data. The companies in the peer group were chosen based on industry (health and human services), and size (revenue and number of employees) as of their then-most recent proxy filings. There were 11 U.S. based companies with median revenue of \$1.557 billion and a median employee population of 10,700 selected as the peer group.

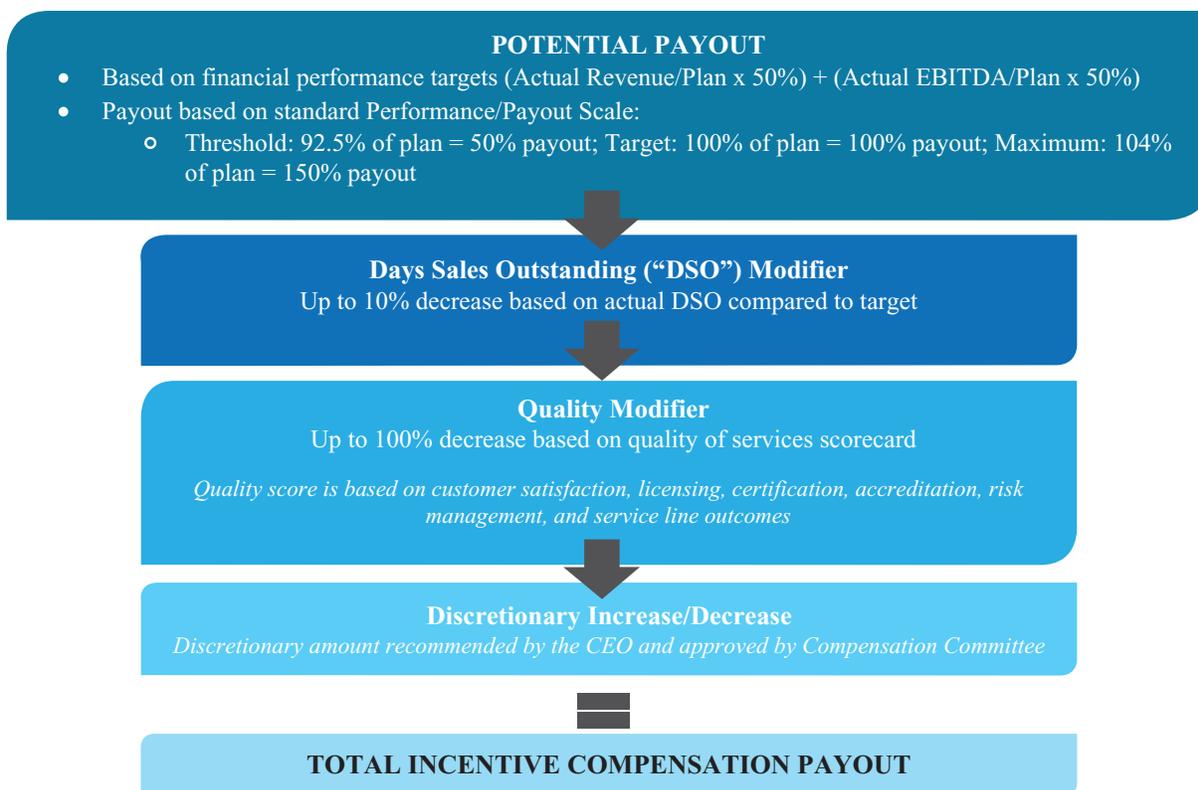

The Company’s peer group includes the following companies:

Name of Company	Revenue (In millions)	Employees
Amedisys Inc.	\$ 1,266	16,100
Amsurg Corp.	\$ 2,567	10,700
Bioscrip, Inc.	\$ 982	1,871
Chemed Corp.	\$ 1,557	14,406
Ensign Group Inc.	\$ 1,342	16,494
Health South Corp.	\$ 3,280	27,929
Healthways, Inc.	\$ 710	2,400
Kindred Healthcare, Inc.	\$ 7,055	77,800
LHC Group Inc.	\$ 797	8,879
Mednax	\$ 2,893	8,645
Providence Service Corp.	\$ 1,695	9,072

FWC reviewed base salary, annual cash bonus incentives and long-term incentive compensation in the form of equity of the peer group. Based on its review, FWC found net target total direct compensation positioning is within a competitive range of the market median when comparing all of the Company’s executives to survey data. FWC recommended that the Company examine each executive individually and determine whether changes should be made after considering a variety of factors, including, among other things, the current economic environment, the executive’s importance to the organization, expected future contribution to the organization, tenure and performance. Review is underway but as of the date of this Proxy Statement no changes to base salary have been made to the executive officers since the Company’s IPO.

Base Salary. Base salary provides executives with a fixed amount of compensation paid on a regular basis throughout the year. Based on a compensation analysis, prepared by FWC in connection with the IPO, FWC found that the base salary of the President and Chief Executive Officer was below a competitive range of the peer group median as well as the survey median. According to FWC, a base salary between \$600,000 and \$650,000 would have elevated the base salary of the Chief Executive Officer to a competitive range. FWC also found that the base salary of the Chief Financial Officer was below a competitive range of the peer group median but within the competitive range of the survey median. After a review of the FWC's recommendations and discussions with Mr. Nardella, the Compensation Committee increased the base salary of Mr. Nardella from \$500,000 per annum to \$575,000 per annum, as of September 1, 2014 and Mr. Holler's base salary was increased from \$335,000 to \$375,000 per annum, as of September 1, 2014. Mr. Petersen's base salary was set at \$320,000 per annum and Ms. Federico's base salary was set at \$280,000. There have been no changes to these base salaries since September 1, 2014. Mr. Brett Cohen joined the Company in November 2015 and his base salary was set at \$365,000 per annum.

Annual Incentive Compensation. In addition to base salary, each NEO participates in an annual cash incentive plan, which constitutes the variable, performance-based component of an executive’s annual cash compensation. In fiscal 2016, the annual incentive compensation of the NEOs was a two-step process. First, the Compensation Committee reviewed the goals and objectives of the Chief Executive Officer set at the beginning of fiscal year 2016 against the results achieved by the Chief Executive Officer at the conclusion of the fiscal year. The Chief Executive Officer also reported to the Compensation Committee regarding the fiscal 2016 goals and objectives of the NEOs against the results achieved by each of the NEOs at the conclusion of the fiscal year. The achievement of these personal goals and objectives were then considered in connection with the annual incentive compensation as calculated pursuant to the 2016 Cash Incentive Plan (defined below).

On October 16, 2015, the Compensation Committee approved the Civitas Solutions, Inc. Management Annual Cash Incentive Compensation Plan (the “2016 Cash Incentive Plan”), effective October 1, 2015. The 2016 Cash Incentive Plan amended and replaced the 5th Amended and Restated IC Plan. Under the 2016 Cash Incentive Plan, a NEO’s incentive compensation payout is determined by first calculating the NEO’s “potential payout” based on financial performance and then by applying a “Days Sales Outstanding” or “DSO” modifier (if applicable) followed by a quality of services modifier. Based on the applicable DSO performance, a NEO’s potential payout can be decreased by up to 10% but cannot be increased. Based on the applicable quality of services performance, a NEO’s potential payout can be decreased by up to 100% but cannot be increased. The 2016 Cash Incentive Plan emphasizes our commitment to the quality of services we deliver by including a quality of services scorecard to measure quality of services based on objective data. To align the 2016 Cash Incentive Plan with our commitment to deliver high quality services, the quality score is used to calculate the amount by which a NEO’s potential payout may be decreased if the quality of services score does not meet our standards.

For purposes of determining a NEO’s potential payout, we used a payout scale with payout levels as a percentage of target incentive compensation (expressed as a percentage of base salary) that correspond to financial performance levels. The Company or the relevant operating group must meet a minimum threshold of 92.5% of financial performance goals for a NEO to receive any payout under the 2016 Cash Incentive Plan. The target potential payout for NEOs of 100% would have been payable if the Company had achieved 100% of the Company adjusted EBITDA (calculated in accordance with the 2016 Cash Incentive Plan) (the “IC Plan Adjusted EBITDA”) and revenue (calculated in accordance with the 2016 Cash Incentive Plan (the “IC Plan Revenue”). The maximum potential payout for NEOs (other than Mr. Petersen) would have been payable if the Company had achieved 104.0% of the Company’s IC Plan Adjusted EBITDA and IC Plan Revenue targets. For Mr. Petersen, 75% of his maximum potential payout would have been payable if the Redwood Operating Group had achieved 104.0% of its contribution to overhead (“CTO”) and IC Plan Revenue targets and 25% of his potential maximum payout would have been payable if the Company had achieved 104.0% of its IC Plan Adjusted EBITDA and IC Plan Revenue targets.

For fiscal 2016, the incentive compensation payout opportunity at threshold, target and maximum performance levels was as follows:

Officers	Threshold Payout (% of base salary)	Target Payout (% of base salary)	Maximum Payout (% of base salary)
Bruce F. Nardella	50	100	150
Brett I. Cohen	37.5	75	112.5
Denis M. Holler, Kathleen P. Federico, David M. Petersen	25	50	75

The 2016 Cash Incentive Plan was structured to provide incentive compensation based upon our and/or the relevant Operating Group’s attainment of certain financial targets for fiscal 2016, which were approved by the Compensation Committee, and includes a quality of services scorecard.

The calculation of awards under the plan followed a three-step process in fiscal 2016.

First, a “potential payout” was calculated. As in prior years, the potential payout was based on achievement of revenue, calculated in accordance with the IC Plan Revenue, and IC Plan Adjusted EBITDA goals. In fiscal 2016, IC Plan Adjusted EBITDA was weighted 50 percent and IC Plan Revenue was weighted 50 percent for all participants in the plan. The Compensation Committee chose these targets as profitability continues to be a major objective of the Company, while the continuing focus on revenue is meant to incentivize management to expand the Company’s overall business in order to grow its adjusted EBITDA. The weighting reflects an equal emphasis on promoting organic growth in addition to profitability. Potential payouts for the NEOs (other than Mr. Petersen) were calculated based on the consolidated IC Plan Adjusted EBITDA and IC Plan Revenue results of the Company. Mr. Petersen’s potential payout was calculated based on 75% on the CTO and IC Plan revenue results of the Redwood Operating Group and 25% on the consolidated IC Plan Adjusted EBITDA and IC Plan Revenue results of the Company.

To incent the NEOs and other executives to be acquisitive, the revenue and EBITDA of potential acquisitions are included in the IC Plan Revenue and IC Plan Adjusted EBITDA targets. When calculating the IC Plan Revenue

and IC Plan Adjusted EBITDA results, the revenue of acquisitions completed and the resulting Adjusted EBITDA achieved as a result of the acquisitions actually completed during the fiscal year are included in the calculation of IC Plan Revenue and IC Plan Adjusted EBITDA. To incent the NEOs to invest in new programs, the NEOs and other executives are held harmless from the difference in revenue and EBITDA included in the IC Plan Revenue and IC Plan Adjusted EBITDA targets for new programs that meet certain criteria (generally, the first 18 months of the program) versus the revenue and EBITDA actually achieved by the new programs in the fiscal year.

On October 30, 2015, the Compensation Committee approved the financial targets for the Company's executive officers for fiscal 2016. The financial targets set for the Company was as follows: Target IC Plan Revenue of \$1,423.1 million and Target IC Plan Adjusted EBITDA of \$172.7 million.

In the case of the NEOs (other than Mr. Petersen), the potential payout ranged from 50% of target for achievement of 92.5% of the IC Plan Adjusted EBITDA and IC Plan revenue goals, to 150% of target for achievement of 104% of the IC Plan Adjusted EBITDA and IC Plan Revenue goals. For Mr. Petersen, (i) 75% of his potential payout was based on achieving 50% of target for achievement of 92.5% of the Redwood Operating Group's CTO and revenue goals, to 150% of target for achievement of 104% of the Redwood Operating Group's CTO and revenue goals and (ii) 25% of his potential payout was based on achieving 50% of target for achievement of 92% of the IC Plan Adjusted EBITDA and IC Plan Revenue goals to 150% of target for achievement of 104% of the IC Plan Adjusted EBITDA and IC Plan Revenue goals. Payouts for performance levels between threshold and target, and between target and maximum, are calculated proportionately. For fiscal 2016 the Company achieved the following results for incentive compensation purposes: Actual IC Plan Revenue of \$1,396.4 million and Actual IC Plan Adjusted EBITDA of \$166 million, which resulted in a "potential payout" of 79% of the participant's target payout at the Company level and 87% for Mr. Petersen.

Second, for Messrs. Nardella, Holler, Cohen and Petersen, the potential payout may be further modified based on the DSO performance achieved by the Company (in the case of NEOs other than Mr. Petersen) and by the Redwood Operating Group (in the case of Mr. Petersen). Ms. Federico was not subject to the DSO modifier. If the achievement of DSO performance is 107.5% or greater than the target, the DSO modifier will be decreased by 10.0%. The DSO modifier ratably decreases from -10% to 0% as the DSO gets closer to the target DSO. In no event will a potential payout be decreased by more than 10% as a result of the application of the DSO modifier. Performance with respect to DSO for FY 2016 met the goal and as a result, none of Messrs. Nardella, Holler, Cohen or Petersen received a decrease to their potential payout.

Third, after calculating the "potential payout" based on the financial targets, the potential payout was subject to reduction of up to 100% based on the quality of services scorecard. A participant could also receive no incentive payout, notwithstanding the potential payout calculation, if he or she engaged in exceptionally poor conduct or poor performance during the fiscal year. No reductions were made for fiscal 2016 based on the quality of services scorecard or for poor performance.

For the NEOs, the Compensation Committee reviewed the NEO's potential payout based on the calculations set forth in the 2016 Cash Incentive Plan as compared to their achievement of certain goals and objectives set for each of them earlier in the year.

Based on the IC Plan Revenue, IC Plan Adjusted EBITDA, DSO performance and quality of services scorecard, Messrs. Nardella, Holler, B. Cohen and Ms. Federico each received 79% of his/her target payout and Mr. Petersen received 87% of his target payout.

Discretionary Bonuses

Mr. Cohen received a signing bonus of \$75,000 when he joined the Company in November 2015.

Our NEOs may receive additional discretionary incentive compensation. In the case of the executive officers, discretionary incentive compensation is determined by the Chief Executive Officer and approved by the Committee. Based on the review of the goals and objectives of each NEO, no discretionary awards were made to the NEOs with the exception of Mr. Petersen who was granted a bonus of \$20,400 in recognition of his increased operational responsibilities and strong performance.

Equity-Based Compensation.

NMH Investment, LLC. Prior to the IPO, long-term incentive compensation was provided in the form of non-voting equity units in NMH Investment, LLC (the “LLC”), under the NMH Investment 2006 Unit Plan. This plan allowed certain of our officers, employees, directors and consultants to participate in our long-term growth and financial success through acquisition of equity interests in the LLC, including Class B, Class C, Class D, Class E, Class F, Class G and Class H Common Units of the LLC. The purpose of the plan was to promote our long-term growth and profitability by aligning the interests of our management with the interests of our former ultimate parent and by encouraging retention. The plan was administered by the Compensation Committee, which recommended awards to the management committee of the LLC. The management committee determined, among other things, specific participants in the plan as well as the amount and value of any units awarded.

In connection with an underwritten secondary offering, on October 1, 2015, the LLC distributed all of the 25,250,000 shares of our common stock it held to its existing members in accordance with their respective membership interests pursuant to the terms of the LLC Agreement and the management unitholders agreements (the “Distribution”). The Distribution triggered the vesting condition of the Class H Common Units and the acceleration of unvested Class F Common Units. The LLC was formally dissolved as of January 31, 2016. The distribution of our common stock to our NEOs is reflected in the “Option Exercised and Stock Vested” table.

2014 Omnibus Incentive Plan.

In connection with the IPO, we adopted the 2014 Omnibus Incentive Plan (the “2014 Incentive Plan”). The 2014 Incentive Plan provides for grants of stock options, stock appreciation rights, restricted stock, other stock-based awards and other cash-based awards. Directors, officers and other employees of us and our subsidiaries, as well as others performing consulting or advisory services for us, are eligible for grants under the 2014 Incentive Plan. The purpose of the 2014 Incentive Plan is to provide incentives that will attract, retain and motivate high performing officers, directors, employees and consultants by providing them with appropriate incentives and rewards either through an ownership interest in our long-term success or compensation based on their performance in fulfilling their personal responsibilities.

As of September 30, 2016, we have awarded non-qualified options (“NQSOs”) to purchase an aggregate of 709,832 shares of common stock, an aggregate of 873,739 restricted stock units (“RSUs”) outstanding and an aggregate of 106,170 PRSUs performance-based restricted stock units (“PRSUs”)(assuming all PRSUs vest at the maximum amount of 250%) to our employees under the 2014 Incentive Plan.

Previous Awards.

In connection with the IPO, Mr. Nardella received a grant of NQSOs and RSUs in value equal to 375% of his annual base salary. Messrs. Holler and Petersen and Ms. Federico each received a grant of NQSUs and RSUs equal to 112.5% of his/her salary. The NQSOs and RSUs for the executive officers vest over a three year period beginning September 16, 2014.

The equity awards granted at the time of the IPO in fiscal 2014 were designed to constitute the equity incentive compensation element of the executive compensation for the period from the IPO until the first regularly scheduled annual grant, which occurred in January 2016. Accordingly, no equity grants were made in fiscal 2015.

Fiscal 2016 Equity Awards

On January 13, 2016, the Compensation Committee made equity compensation awards to certain of our employees, including the NEOs. The following types of awards were granted: NQSOs, time-based RSUs and PRSUs.

Name	Non-Qualified Stock Options	Time-Based Restricted Stock Units	Performance-Based Restricted Stock Units(Target Number of Shares)
Bruce F. Nardella	39,020	28,635	14,318
Denis M. Holler	7,634	5,603	2,801
Brett I. Cohen	12,385	9,089	4,544
David M. Petersen	6,515	4,781	2,390
Kathleen P. Federico	5,700	4,183	2,092

The PRSUs are the first awards granted under the 2014 Incentive Plan that vest based on performance conditions. The PRSUs will be earned and vested over a three-year performance period based upon (a) our Adjusted EBITDA performance for the third year of the performance period (i.e., the fiscal year ending September 30, 2018 (“fiscal 2018”)), where Adjusted EBITDA means the “Adjusted EBITDA” as defined for purposes of our earnings release disseminated to its stockholders and furnished on a Form 8-K, or similar public disclosure document, as determined by the Compensation Committee in its reasonable discretion, and (b) the percentage ratio determined where the numerator is the total shareholder return of our common stock (expressed as a percentage) and the denominator is the total shareholder return of the Russell 2000/Health Care Index (expressed as a percentage) (“Relative TSR”) as determined for the period beginning October 1, 2015 and ending September 30, 2018 on the assumption that an investor invested \$100 in each of our common stock and the Russell 2000 Healthcare Index on October 1, 2015.

Vested PRSUs will be settled in shares of our common stock. The number of shares earned will range from 0% to 250% of the target award. The percentage level at which the performance conditions are satisfied will be determined by the Compensation Committee following the end of fiscal 2018. First, a preliminary payout will be determined based on the achievement of Adjusted EBITDA for fiscal 2018 as follows:

Level of Adjusted EBITDA Performance for Fiscal 2018	Preliminary Payout based on Adjusted EBITDA Performance
Threshold (92.7% of Target)	50 %
Target (100% of Target)	100 %
Maximum (107.3 % of Target)	200 %

To the extent that Adjusted EBITDA is between the threshold and target levels or between the target and maximum levels, the percentage at which the Adjusted EBITDA performance condition is satisfied will be determined on a pro rata basis using straight line interpolation.

Second, the payout will be modified based upon our relative TSR performance for the period beginning on October 1, 2015 and ending September 30, 2018. If our Relative TSR is less than 25%, the final payout will be decreased by 25%. If our Relative TSR is 75% or greater, the final payout will be increased by 25%. No adjustment will be made if our Relative TSR is 25% or greater but less than 75%.

Fiscal 2017 Equity Awards.

On December 9, 2016, the Board of Directors of the Company, based on the recommendations of the Compensation Committee, made equity compensation awards to certain employees of the Company, including the NEOs. Ms. Federico retired as the Chief Human Resources Officer as of December 20, 2016 and did not receive an equity award. The awards included non-qualified stock options and time-based restricted stock units, each of which will vest in one-third increments over a three year term.

Name	Non-Qualified Stock Options	Time-Based Restricted Stock Units
Bruce F. Nardella	54,866	42,155
Brett I. Cohen	17,414	13,380
Denis M. Holler	10,735	8,248
David M. Petersen	9,160	7,038

Deferred Compensation. Under the National Mentor Holdings, LLC Executive Deferred Compensation Plan (the “Executive Deferral Plan”), the NEOs receive an allocation to their account based on a percentage of base salary. Mr. Nardella receives an allocation of 13%, Mr. Cohen receives an allocation of 12%, Mr. Holler receives an allocation of 11% and Mr. Petersen and Ms. Federico each receive an allocation of 9%. These allocations are made as of the end of the plan year, December 31, for service rendered during the prior plan year. The balances earn a return, which for plan years 2016, 2015 and 2014 was a fixed rate of 6%. The plan is an unfunded, nonqualified deferred compensation arrangement, which provides deferred compensation to the executive officers. We may make additional discretionary allocations to the plan, although we did not do so in fiscal 2015 or fiscal 2016. A participant’s account balance is 100% vested and non-forfeitable and will be distributed to a participant following his or her retirement or termination from us, disability or death, or at our direction under certain circumstances. Because Ms. Federico was the Chief Human Resources Officer for all of fiscal year 2016 and resigned shortly before the end of the plan year, the Company elected to award her the full 9% of her base salary to her account on December 31, 2016.

A 401(k) plan is available to eligible employees, including the NEOs. Under the plan, we may make an annual discretionary matching contribution and/or profit-sharing contribution. To supplement the 401(k) plan, the National Mentor Holdings, LLC Executive Deferral Plan is available to highly compensated employees (as defined by Section 414(q) of the Internal Revenue Code), including the NEOs. Participants may contribute up to 100% of salary and/or incentive compensation bonus earned during the plan year. This plan is a nonqualified deferred compensation arrangement and is coordinated with our 401(k) plan so as to maximize a participant's contributions and the Company's matching contributions to the 401(k) plan, with the residual remaining in the Executive Deferral Plan. Amounts contributed to the 401(k) and/or Executive Deferral Plan are matched by us up to 1.5% of base salary (subject to Internal Revenue Service ("IRS") compensation limits). Distributions are made upon a participant's termination of employment, disability, death, retirement or at a time specified by the participant when he or she makes a deferral election. Participants can elect to have distributions made in a lump sum or in monthly installments over a five-year period. A specific-date election may be made only in a lump sum. We have established a grantor trust to accumulate assets to provide for the obligations under the plan. Any assets of the grantor trust are subject to the claims of our general creditors.

Severance and Change-in-Control Benefits. In connection with the IPO, we entered into an amended and restated employment agreement with Mr. Nardella and an employment agreement with each of Messrs. Holler, Petersen and Ms. Federico as of September 17, 2014. Mr. Cohen has an employment agreement effective as of November 30, 2015. Each of these agreements provides for severance benefits to be paid to the NEO if the Company terminates his or her employment without "cause" or he or she resigns for "good reason", each as defined in the applicable agreement. Ms. Federico retired as the Chief Human Resources Officer effective December 20, 2016 and, as a result of her retirement, is no longer eligible to receive severance or other benefits under the employment agreement.

Other Benefits. The NEOs are entitled to participate in group health and welfare benefits on the same basis as all regular, full-time employees. These benefits include medical, dental, vision care, flexible spending accounts, term life insurance, short-term and long-term disability insurance and other benefits. In addition, all employees, including the executive officers, have the option of purchasing supplemental group term life insurance for themselves as well as coverage for their spouses and dependent children. Executive officers and certain other eligible employees may also elect to receive Company-paid parking (plus gross-up for tax liability) and supplemental disability insurance and long-term care insurance, with the premiums paid for by us.

Compensation Risk. The Compensation Committee has determined that our compensation policies and practices are not reasonably likely to have a material adverse effect on us. In reaching this determination, we have taken into account the following design elements of our compensation programs and policies and practices: mixture of cash and equity opportunities, use of short-term and long-term performance-based awards, use of financial metrics that are easily capable of review and avoidance of uncapped rewards.

- (a) Includes individual's pre-tax contributions to health plans and contributions to retirement plans.
- (b) Mr. Cohen received a signing bonus of \$75,000 when he joined the Company in November 2015.
- (c) The amounts represent the grant date fair value of the NQSOs, RSUs and PRSUs granted pursuant to the 2014 Incentive Plan. The assumptions used in determining the grant date fair value of these awards are set forth in Note 22 to our consolidated financial statements, which are included in our Annual Report on Form 10-K filed with the SEC for the fiscal year ended September 30, 2016. The PRSUs were valued at the grant date based upon the probable outcome of the performance conditions. The grant date fair value of the PRSUs included assumes the target number of shares. Assuming the highest level of performance conditions (which would result in 200% of the target number of shares being issued), the grant date fair value of the PRSUs would be: Mr. Nardella \$568,138; Mr. Holler \$111,144; Mr. B. Cohen \$180,306 and Mr. Petersen \$94,835. As a result of Ms. Federico's retirement, only one-third (or 697 target shares) of the PRSUs will vest if the performance condition is met. The remainder of Ms. Federico's PRSUs were forfeited as a result of her retirement.
- (d) Represents cash bonuses under the 2016 Cash Incentive Plan.

- (e) Represents earnings in excess of 120% of the applicable federal long-term rate under the Executive Deferred Compensation Plan and the Executive Deferral Plan. In fiscal 2015, Mr. Nardella had a loss of \$27,298 and Mr. Holler had a loss of \$21,102.
- (f) Includes Company contributions to the Executive Deferred Compensation Plan and the Company match on executive contributions to the 401(k) plan and Executive Deferral Plan. Also included are Company paid parking, tax gross-ups for Company paid parking, imputed income on group term life insurance premiums and Company contributions for supplemental disability insurance and long-term care insurance premiums available to the executive officer. For fiscal 2016, the components of All Other Compensation were as follows:

Option Exercises and Stock Vested

No options were exercised during fiscal 2016.

On October 1, 2015, in connection with an underwritten secondary offering, the LLC distributed all of the 25,250,000 shares of our common stock it held to its existing members in accordance with their respective membership interests and pursuant to the terms of the LLC Agreement and the management unitholders

agreements. As a result, all of the LLC units were earned and vested, and each of the NEOs received shares of our common stock as the payout in respect of his or her units of the LLC. Stock Ownership Guidelines for Named Executive Officers

The Compensation Committee adopted stock ownership guidelines for its executive officers, operating group presidents and vice presidents. The stock ownership guidelines for the Company’s named executive officers are determined as a multiple of the officer’s base salary. The Company’s chief executive officer is required to hold shares of Civitas common stock with a value equal to at least six (6) times his annual base salary. The Company’s chief financial officer is required to hold shares of Civitas common stock with a value equal to at least four (4) times his annual base salary. All other named executive officers are required to hold shares of

Civitas common stock with a value equal to three (3) times his or her annual base salary. This ownership guideline is calculated using the applicable base salary as of October 1st each year and measured against the average of the month-end closing prices of the Company's stock for the prior 12 months. Named executive officers are not required to achieve the applicable level of ownership within any specified time period. The Chief Executive Officer and the Chief Financial Officer must retain 100% of their net profit shares until their applicable stock ownership guideline is met. All other executive officers are required to retain 50% of net profit shares until he or she complies with the guidelines. Net profit shares are defined as (i) shares received on vesting or earnout of restricted stock or restricted stock units or performance shares, net of shares withheld for taxes and (ii) shares received on exercise of stock options, net of shares tendered or withheld for payment of exercise price and shares withheld for taxes.

As of December 31, 2016, Messrs. Nardella, Holler and Petersen met their stock ownership guidelines. Ms. Federico retired as Chief Human Resources Officer as of December 20, 2016 and, accordingly, is no longer subject to such guidelines. Mr. Cohen, who joined the Company in November 2015, has not achieved his stock ownership guideline.

Employment Agreements

On December 16, 2013, we entered into an employment agreement with Bruce Nardella, effective as of January 1, 2014, in connection with his promotion to Chief Executive Officer, which was amended and restated on September 17, 2014 in connection with the IPO (the "Nardella Agreement"). The Nardella Agreement has an initial term of three years, after which the agreement renews automatically each year for a one-year term, unless terminated earlier by the parties. The Nardella Agreement provides for a base salary of \$575,000 per year, subject to review and adjustment from time to time, with an annual bonus from the incentive compensation plan equal to no less than Mr. Nardella's base salary if we reach certain yearly determined performance objectives. Under the terms of the Nardella Agreement, if Mr. Nardella is terminated by us without "cause" or Mr. Nardella resigns with "good reason", we are obligated to continue to pay him his base salary and targeted incentive compensation for two years following the date of such termination, as well as a pro rata incentive compensation amount for the year in which such termination occurs if termination occurs within the second half of the year and a monthly payment of \$2,000 for two years. The definition of "cause" includes the commission of fraud or embezzlement, an indictment or conviction for a felony or a crime involving moral turpitude, willful misconduct, violation of any material written policy of the Company, material neglect of duties, failure to comply with reasonable Board directives and material breach of any agreement with us or our securityholders or affiliates. The definition of "good reason" includes a material change in title, duties and responsibilities, a material reduction in Mr. Nardella's annual base salary or annual bonus opportunity (subject to certain exclusions), a material breach by us of the Nardella Agreement, and relocation of Mr. Nardella's principal place of work from its current location to a location that is beyond a 50-mile radius of such location. Under the terms of the Nardella Agreement, if Mr. Nardella is terminated due to death or disability, he will be entitled to accelerated vesting of a pro rata portion of his unvested time-based equity awards under the 2014 Incentive Plan and if Mr. Nardella is terminated (other than for "cause" and other than due to death or disability) within six months prior to or 24 months following a change in control, he will be entitled to (i) the same severance payments as provided for in

the event of a termination without “cause” or for “good reason” and (ii) accelerated vesting of all of his unvested time-based equity awards under the 2014 Incentive Plan. The payment of severance benefits will be conditioned upon the execution and non-revocation of a release. The Nardella Agreement contains provisions pursuant to which Mr. Nardella has agreed not to disclose our confidential information. Mr. Nardella has also agreed not to solicit our employees or contractors, nor compete with us for a period of two years after his employment with us has been terminated.

In connection with the IPO, we entered into new employment agreements with each of our executive officers who previously had a severance agreement, including all of the other NEOs (Mr. Holler, Mr. Petersen and Ms. Federico). On November 6, 2015, we entered into an employment agreement with Brett Cohen, effective November 30, 2016. Other than Mr. Nardella, each NEO’s employment agreement (i) provides for an employment term of one year with automatic renewals unless terminated in accordance with the agreement, (ii) specifies the executive’s position, duties, annual base salary and target bonus and (iii) provides for customary business expense reimbursement. The employment agreements for these executive officers provides that if the executive officer is terminated without “cause” or resigns for “good reason,” he or she will be, subject to execution and non-revocation of a release, entitled to (i) continued payment of his base salary for one year, (ii) payment of an amount equal to his or her target bonus, (iii) payment of a pro rata bonus for the year in which such termination occurs if termination occurs within the second half of the year and (iv) a monthly payment of \$2,000 for 24 months. If the executive officer is terminated due to death or disability, he or she is entitled to (i) payment of a pro rata bonus for the year in which such termination occurs and (ii) accelerated vesting of a pro rata portion of his or her unvested time-based equity awards under the 2014 Incentive Plan. If the executive officer is terminated (other than for “cause” and other than due to death or disability) within six months prior to or 24 months following a change in control, he or she is entitled to (i) the same severance payments as provided for in the event of a termination without “cause” or for “good reason,” except that the payment of his base salary will continue for 18 months instead of 12 months following such termination, and (ii) accelerated vesting of all of his or her unvested time-based equity awards under the 2014 Incentive Plan. The employment agreements contain provisions pursuant to which each executive officer has agreed not to disclose our confidential information. Each executive officer also agreed not to solicit our employees or contractors, nor compete with us for a period of one year after his or her employment with us has been terminated.

Policy on Recoupment of Incentive Compensation in Event of Material Financial Restatement

In fiscal 2016, the Board adopted a recoupment policy that permits the Board to recover certain annual incentives from executive officers in the event of a material restatement of financial results. For restatements that occurred through no misconduct of an executive officer, the policy allows, at the discretion of the Board, the forfeiture or reimbursement of incentive compensation provided that the amount recovered is not greater than the amount of compensation that such officer would have received based on the restated financial results. In the event of misconduct, at the discretion of the Board, the entire amount of incentive compensation received based on the financial reporting measure may be forfeited or reimbursed. Additionally, our 2016 Cash Incentive Plan and 2014 Omnibus Incentive Plan allow for the recoupment of performance-based annual incentives and long-term incentives consistent with applicable law and the recoupment policy.

Estimated Severance and Change-in-Control Payments

The employment agreements of the executive officers provide for severance benefits in the event of termination under certain circumstances. The following table shows the amount of potential severance benefits for the NEOs pursuant to their employment agreements, assuming that termination occurred as of September 30, 2016, our fiscal year-end.

- (a) Under Mr. Nardella's employment agreement, if Mr. Nardella is terminated without cause or resigns for good reason, Mr. Nardella's salary would continue for two years following the date of termination. For each of the other NEOs, under their employment agreements, (1) if the NEO is terminated without cause or a resignation for good reason, then he or she would continue to receive his or her salary for 12 months, and (2) if the NEO is terminated without cause or resigns for good reason within six months prior to or 24 months following a change in control, the NEO would continue to receive his or her salary for 18 months. These amounts would be payable over time in accordance with the Company's regular payroll practices.
- (b) Under Mr. Nardella's employment agreement, (1) if Mr. Nardella is terminated without cause or resigns for good reason, then Mr. Nardella would receive an amount equal to his earned but unpaid bonus as of September 30, 2016 plus his target annual bonus of 100 percent of base salary under the cash incentive compensation plan for two years after termination, and (2) if Mr. Nardella is terminated for cause, resigns for good reason or is terminated due to death or disability, then Mr. Nardella would receive an amount equal to his earned but unpaid bonus as of September 30, 2016. For each of the other NEOs (other than B. Cohen), under their employment agreements, (1) if the NEO is terminated without cause or resigns for good reason, then he or she would receive an amount equal to his or her earned but unpaid bonus as of September 30, 2016 plus his or her target annual bonus of 50 percent of his or her salary for one year following the date of termination, or, in the case of Mr. Cohen 75 percent of his salary for one year following the date of termination, and (2) if the NEO is terminated for cause, resigns for good reason or is terminated due to death or disability, then he or she would receive an amount equal to his earned but unpaid bonus as of September 30, 2016. These amounts would be payable in a single lump sum no later than March 15th of the calendar year following the calendar year in which the applicable fiscal year ended.
- (c) Under each NEO's employment agreement, each NEO is entitled to receive \$2,000 per month for 24 months in lieu of continuing health and welfare benefits if the NEO is terminated without cause or resigns for good reason.
- (d) Under each NEO's employment agreement, (1) if the NEO is terminated without cause or resigns for good reasons within six months prior to or 24 months following a change in control, all of his or her time-based equity awards under the 2014 Incentive Plan would vest in full, and (2) if the NEO is terminated due to death or disability, all of his or her time-based equity awards under the 2014 Incentive Plan would vest in proportion to the period of time that elapsed between the grant date of such awards and the date of such termination. Plan Category	Number of Securities to be Issued Upon Exercise of Outstanding Options (a)	Weighted Average Exercise Price of Outstanding Options (b)	Number of Securities Remaining Available for Future Issuance Under Equity Compensation Plans (Excluding Securities Reflected in First Column)(c)
Equity Compensation Plans Approved by Stockholders	1,194,827	\$ 19.42	3,957,897
Equity Compensation Plans Not Approved by Stockholders	N/A	N/A	N/A

- (a) Includes: (i) 709,832 shares of common stock issuable pursuant to outstanding stock option awards as of September 30, 2016 with a weighted-average exercise price of \$19.42; (ii) 442,528 shares of common stock issuable pursuant to outstanding RSU awards as of September 30, 2016; and (iii) 42,467 shares of common stock issuable pursuant to outstanding PRSU awards as of September 30, 2016. There is no exercise price associated with the vesting of RSU and PRSU awards.
- (b) The calculation of the weighted-average exercise price in this column excludes the shares issuable pursuant to outstanding RSU and PRSU awards as of September 30, 2016, because there is no exercise price associated with the vesting of RSU and PRSU awards.

Certain Relationships and Related Party Transactions

Director Nominating Agreement

On September 16, 2014, we entered into a director nominating agreement with the LLC, which contains provisions relating to nominations for the election of directors. The director nominating agreement provides that the LLC or affiliates of Vestar will have the right to nominate: (i) eight of nine directors so long as the LLC and affiliates of Vestar collectively own at least 40% of the total voting power of Civitas; (ii) seven of nine directors so long as the LLC and affiliates of Vestar collectively own at least 35% of the total voting power of Civitas; (iii) six of nine directors so long as the LLC and affiliates of Vestar collectively own at least 30% of the total voting power of Civitas; (iv) five of nine directors so long as the LLC and affiliates of Vestar collectively own at least 25% of the total voting power of Civitas; (v) four of nine directors so long as the LLC and affiliates of Vestar collectively own at least 20% of the total voting power of Civitas; (vi) three of nine directors so long as the LLC and affiliates of Vestar collectively own at least 15% of the total voting power of Civitas; (vii) two of nine directors so long as the LLC and affiliates of Vestar collectively own at least 10% of the total voting power of Civitas; (viii) one of nine directors so long as the LLC and affiliates of Vestar collectively own at least 5% of the total voting power of Civitas. In each case we will agree to take certain actions to support those nominees for election and include the nominees in the proxy statements for the stockholders meetings at which directors are to be elected. In connection with the Distribution, on October 1, 2015, the LLC assigned the director nominating agreement to an affiliate of Vestar that was a member of the LLC.

Registration Rights Agreement

On September 16, 2014, we entered into a registration rights agreement with the LLC. In connection with the Distribution on October 1, 2015, the LLC's registration rights were assigned to all of the members of the LLC, upon each such member's execution of a joinder to that agreement pursuant to which they agreed to become subject to all of the rights and obligations thereunder, and the members of the LLC became subsequent holders of the Registrable Securities. Pursuant to the registration rights agreement, the holders of a majority of the registrable securities are entitled to request that we register the shares of our common stock held by the LLC on a long-form or short-form registration statement on one or more occasions in the future, which registrations may be "shelf registrations." The holders of registrable securities are also entitled to participate in certain registered offerings by us, subject to the terms and conditions in the registration rights agreement. We will pay the holders' expenses in connection with the exercise of these rights. The registration rights described in this paragraph apply to (i) shares of our common stock held by the LLC as of the closing of our IPO and (ii) any of our capital stock (or that of our subsidiaries) issued or issuable with respect to the common stock described in clause (i) with respect to any dividend, distribution, recapitalization, reorganization, or certain other corporate transactions ("Registrable Securities"). These registration rights are also for the benefit of any subsequent holder of Registrable Securities. However, any particular securities will cease to be Registrable Securities when they have been sold in a registered public offering, sold in compliance with Rule 144 of the Securities Act or repurchased by us or our subsidiaries. In addition, with our consent and the consent of the holders of a majority of Registrable Securities, any Registrable Securities held by a person other than Vestar Capital Partners V, L.P. and its affiliates, upon notice from us, will cease to be Registrable Securities if they can be sold without limitation under Rule 144 of the Securities Act.

Indemnification Agreements

We have indemnification agreements with each of our directors and executive officers. Under the indemnification agreements, directors and executive officers are indemnified against certain expenses, judgments and other losses resulting from involvement in legal proceedings arising from service as a director or executive officer. Civitas will advance expenses incurred by directors or executive officers in defending against such proceedings, and indemnification is generally not available for proceedings brought by an indemnified person (other than to enforce his or her rights under the indemnification agreement). If an indemnified person elects or is required to pay all or any portion of any judgment or settlement for which Civitas is jointly liable, Civitas will contribute to the expenses, judgments, fines and amounts paid in settlement incurred by the indemnified person in proportion to the relative benefits received by Civitas (and its officers, directors and employees other than the indemnified person) and the indemnified person, as may, to the extent necessary to conform to law, be further adjusted by reference to the relative fault of NMHI (and its officers, directors and employees other than the indemnified person) and the indemnified person in connection with the events that resulted in such losses, as well as any other equitable considerations which the law may require to be considered. NMHI is a guarantor of Civitas' obligations under this agreement.

Policies and Procedures for Related Party Transactions

In connection with our IPO, we adopted a policy which provides that our Audit Committee is responsible for reviewing and approving or ratifying related party transactions. For purposes of the policy, a "related party transaction" means a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which Civitas was, is or will be a participant and the amount involved will or may be expected to exceed \$120,000, and in which our executive officers, directors, director nominees or any stockholder beneficially owning in excess of five percent of our stock (each, a "related party") had, has or will have a direct or indirect material interest (including any transactions requiring disclosure under Item 404 of Regulation S-K). Any related party who intends to enter into a related party transaction shall promptly disclose that intention and all material facts with respect to such transaction to our Chief Legal Officer. The Chief Legal Officer will then promptly communicate that information to the Audit Committee of the Board. The Audit Committee will review all related party transactions and approve such transactions (subject to a delegation of authority as provided in the policy). In determining whether to approve or ratify a related party transaction, the Audit Committee will take into account, among other factors it deems appropriate, whether the related party transaction is on terms no less favorable than the terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction. It is our policy that directors interested in a related party transaction will recuse themselves from any such vote.

Advisory Vote to Approve Named Executive Officer Compensation (Say-on-Pay)

(Proposal No. 2)

We are seeking an advisory (non-binding) vote from our stockholders to approve the compensation of our named executive officers (our “NEOs”) for fiscal 2016 as disclosed in this proxy statement.

The primary objectives of our executive compensation program are to:

- attract and retain top executive talent;
- achieve accountability for performance, including the quality of our services, by linking annual cash incentive awards to achievement of measurable performance objectives; and
- align executive officers with our stockholders, create an ownership culture, and drive long-term business success by providing opportunity for significant equity-based rewards.

In deciding how to vote on this proposal, we urge our stockholders to read the “Compensation Discussion and Analysis” section of this proxy statement, which describes in more detail our compensation objectives and elements of our executive compensation program, as well as the Summary Compensation Table and other related compensation tables and narrative, which provide detailed information on the compensation of our NEOs.

We are asking stockholders to approve, on an advisory basis, the compensation of our NEOs for fiscal 2016 as disclosed in the Compensation Discussion and Analysis, the Summary Compensation Table and related compensation tables, and the notes and narrative discussion following the compensation tables in this proxy statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation program for our NEOs as described in this proxy statement.

Although this vote is non-binding, the Board and the Compensation Committee value the opinions of our stockholders and will consider the outcome of the vote when making future decisions concerning executive compensation. Furthermore, stockholders are welcome to bring any specific concerns regarding executive compensation to the attention of the Board or the Compensation Committee at any time throughout the year. Please refer to “Corporate Governance—Communications with the Board” in this proxy statement for information about communicating with the Board.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THIS PROPOSAL.

Re-approval of the Performance Measures for certain Performance-Based Awards under the Incentive Compensation and Stock Plan

(Proposal No. 3)

At the Annual Meeting, you will be asked to re-approve the material terms of the performance measures that apply to certain performance awards granted under the 2014 Incentive Plan. In order to allow the Company to grant any such awards that are intended to qualify as performance-based awards under Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), stockholders must approve the material terms of such performance measures prior to the expiration of our IPO transition relief exemption. **Stockholders are not being asked to approve any amendments to the 2014 Incentive Compensation Plan or to approve the 2014 Incentive Plan itself under this proposal, but are only asked to re-approve the material terms of the performance measures included in the plan for qualification under Section 162(m) of the Code.**

Reasons for Proposal

Stockholder re-approval of the material terms of the performance measures is required for the Company to fully deduct the amount or value of certain performance awards, as permitted under Section 162(m) of the Code. Section 162(m) generally limits to \$1 million the deduction available to public companies for compensation paid to its chief executive officer and certain other executive officers (referred to as “covered employees”). This limitation does not apply, however, to “performance-based compensation” as defined under Section 162(m).

To qualify as “performance based compensation” for purposes of Section 162(m), the performance award must be subject to performance measures established by a committee or subcommittee comprised solely of two or more of the Company’s outside directors. In addition, the material terms of the performance measures must be disclosed to and approved by the Company’s stockholders. Our transition relief exemption as a newly public company will expire effective as of our 2018 Annual Meeting. Certain of our performance-based restricted stock units that are granted under the 2014 Incentive Plan prior to our 2018 Annual Meeting, but that are not settled (i.e., shares delivered) prior to the 2018 Annual Meeting, will not qualify for the Section 162(m) transition period. Accordingly, we are requesting our stockholders approve the material terms of the performance measures. If approval is not obtained, performance awards granted under the 2014 Incentive Plan and settled after the 2018 Annual Meeting will be subject to the \$1 million deduction limit, which would result in additional cost to the Company to the extent amounts of compensation paid to covered employees are not deductible.

For purposes of Section 162(m) of the Code, the material terms that stockholders must approve include (i) the group of employees whose compensation would be subject to the performance measures, (ii) the business criteria on which each of the performance measures is based: and (iii) the maximum amounts payable to any executive officer under each performance award.

Group of Employees Subject to the Performance Measures

Officers, employees, directors and consultants of the Company or any of its affiliates, and prospective employees, directors and consultants who have accepted offers of employment, membership on a board or

consultancy from our company or our affiliates, who are or will be responsible for or contribute to the management, growth or profitability of our business or the business of our affiliates, comprise the class of employees eligible to receive awards under the 2014 Incentive Plan.

Performance Measures under the Incentive Compensation Plan

The performance measures applicable to awards under the Incentive Compensation Plan that are intended to qualify as “performance-based compensation” under Section 162(m) of the Code are as follows: net revenue; net earnings (before or after taxes); operating earnings or income; absolute and/or relative return measures (including, but not limited to, return on assets, capital, invested capital, net contribution, equity, sales, or revenue); earnings per share; cash flow (including, but not limited to, operating cash flow, free cash flow, cash flow return on equity, and cash flow return on investment); net operating profits; earnings before or after taxes, interest, depreciation, and/or amortization; earnings as a percentage of sales; earnings growth before or after taxes, interest, depreciation, and/or amortization; gross, operating or net margins; revenue growth; book value per share; stock price (including, but not limited to, growth measures and total stockholder return); economic value added; customer satisfaction; market share; working capital; productivity ratios; operating goals (including, but not limited to, safety, reliability, maintenance expenses, capital expenses, customer satisfaction, operating efficiency, and employee satisfaction); and performance relative to peer companies.

Any of the above performance measures may be used to measure the performance of the Company as a whole, one or more operating units, divisions, acquired businesses, minority investments, partnerships or joint ventures as the Compensation Committee may deem appropriate.

Maximum Awards under the Incentive Compensation Plan

No participant in the 2014 Incentive Plan may be granted an award of stock options or performance-based restricted stock units or any other award covering in excess of 3,000,000 shares of Common Stock in any calendar year. The maximum aggregate amount with respect to each management incentive award, award of performance units, award of stock units, award of restricted stock units, or award of restricted stock that may be granted or that may vest, as applicable, under the 2014 Incentive Plan in any calendar year for any individual participant is 3,000,000 shares of Common Stock.

The maximum aggregate amount with respect to management incentive awards to be settled only in cash that may be granted, or that may vest or become payable, as applicable, under the 2014 Incentive Plan in any calendar year for any individual participant is \$5,000,000. This cash limitation applies separately from the number of shares limitation described above.

Vote Required

Re-approval of the material terms of the performance measures under the 2014 Incentive Plan requires the affirmative vote of a majority of the votes cast at the Annual Meeting in person or by proxy.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RE-APPROVAL OF THE PERFORMANCE MEASURES FOR CERTAIN PERFORMANCE-BASED AWARDS UNDER THE 2014 INCENTIVE PLAN.

**Ratification of Deloitte & Touche LLP as the Company's
Independent Registered Public Accounting Firm for Fiscal 2017**

(Proposal No. 4)

The Audit Committee has appointed Deloitte & Touche LLP, an independent registered public accounting firm, to serve as our independent auditor. Deloitte & Touche LLP has served in this capacity for us since 2009. As a matter of good corporate governance, the Audit Committee submits its selection of our independent registered public accounting firm to our stockholders for ratification. If the stockholders fail to ratify the selection, the Audit Committee will review its future selection of an independent registered public accounting firm in light of that result. Even if stockholders ratify the selection, the Audit Committee in its discretion may select a different independent registered public accounting firm at any time during fiscal 2017 if it determines that such a change would be in the best interests of Civitas and our stockholders.

Representatives of Deloitte & Touche LLP are expected to be present at the Annual Meeting. They will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION
OF DELOITTE & TOUCHE LLP AS THE COMPANY'S INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2017.**

Other Matters

The Board of Directors knows of no other matters to be brought before the Annual Meeting. However, if other matters should come before the meeting, each of the persons named as a proxy will vote as recommended by the Board or, if no recommendation is given, in his or her discretion on such matters.
